Hi Willie,
Marcia will grant Paris additional time. I will do an amended Resolution to grant the extension. Let's grant to June 26.

> Hello Marcia and Mai, update: I spoke with Paris Getty this morning. He does have an electrical permit, but no rough in inspection done yet. He did inform me he has opened up the stairway leading upstairs. He says he wants to do the electrical work himself, but nothing has been done. I asked him did he have the remaining balance of the orders done that was granted to him by April 1, his answer was he said he called the hearing office last week and asked for an

extension and no one has returned his message. He told me to call him back later this morning. I will call him back later this morning in attempt to do a reinspection today or this week. If I am unable to do a reinspection. How do you want me to proceed? Thank you.
