02/06/2015	15 008760	Open	BW - Building Warning - Stop Order	Owner William L Annoni - WARNING: This property is located in a National Register Historic District or Site and/or a Minnesota State Historic District or Site (that is not in a locally designated district or site). Under Minnesota Statute 116D.04, permits for any exterior work including the demolition, partial demolition, or moving of buildings or structure on the property cannot be issued until PED has determined if the proposed work requires completion of an Environmental Assessment Worksheet [EAW]. Notify applicants that the property is located in one or more of the historic districts/site. Inform them that the law requires the City to determine if an EAW is required before permits may be issued. Advise applicants to contact HPC staff in PED for information about the EAW process. For the purposes of this WARNING, partial demolition means any work involving the dismantling, razing, or removal of any structural member that provides bearing and anchorage to the building or structure's exterior framework and/or walls, or portions thereof, and specifically including any work incidental thereto.

03/01/1999	99 000050	Pending	EC - Environmental Complaint History (DC)	From Mayor's Complaint Office. Complainant said that on 2/28/99 she called Police at 10:45p.m. with noise complaint, and was told they could do nothing about the music. There is an open complaint in the system about the noise. She said it's getting to a point where some of her neighbors are going to have to move because this place disturbs their sleep. Asked if something could be done since she doesn't want to move. kko
