

**Sec. 411.01. - License required.**

- (a) *Entertainment license.* No person licensed under Chapter 409 or Chapter 410 shall provide or furnish or permit another who is leasing, renting or using with or without consideration the licensed premises to provide or furnish entertainment on the licensed premises without first having obtained a license to do so as hereinafter provided. The provision or furnishing of entertainment without such a license, whether by the licensee or by persons using, renting or leasing the licensed premises, shall be grounds for adverse action against all the licenses held at and for the licensed premises. It shall not be a defense in an adverse action against the licenses held at and for the licensed premises that the licensee was not aware or did not know of the provision of such entertainment by persons renting, leasing or using the licensed premises. The license for each class of license provided for in this chapter is a separate license, and all the requirements of this chapter for obtaining a license must be met even though the licensee holds or has held a different class license hereunder.
- (b) *Limited entertainment license.* A person licensed under Chapter 409 or Chapter 410 may obtain a limited Class A or B license without complying with the consent requirements under section 411.04 (b) of this chapter, as further provided in section 411.04(b)(5), (b)(6) and (b)(7) below, and such license shall be limited to permitting another who is leasing, renting or using the licensed premises, with or without consideration, to provide or furnish entertainment on the licensed premises for a wedding, anniversary or retirement dinner or reception, or similar family or social function.
- (c) *Extended hours.* The holder of an extended service license under sections 409.07.1 or 410.04(c) of the Legislative Code is subject to the regulations defined therein and may provide entertainment during the hours of extended service, but only in conformity with and as authorized by an existing entertainment license issued under this chapter. Notwithstanding any other provision of law, the council may, at any time and with respect to any establishment, condition or prohibit the provision of entertainment during the hours of extended service (i) in order to protect the public peace, welfare and safety, so long as such conditions or prohibitions do not relate to the content of the entertainment, and (ii) without notice and hearing, or compliance with any of the procedures provided in Chapter 310 of the Legislative Code.
