**Subject:** WCCO Noise Variance request Hidden Falls 6/10

WCCO should not be granted a noise variance without upper limits. As a resident directly above the park, I do not want to hear the event the entire day. I would also like to see the total number of minutes in that 6 hour window limited to 180 minutes. (I would like less, but I am not unreasonable.) A high noise level for a sustained period of time is torture. [Noise as a Torture Weapon](#)
