

Dear City of Saint-Paul,

When I submitted my support for Mr. Privatsky's candidacy for the interim Ward#4 city council seat, I did so with the understanding that our city council President Noecker would bring forth her recommendation to be voted on. I trust both her legacy experience and her judgment as a public servant. I support her role as City Council President.

In light of the scandal presented on March 26th and the usurpation of Noecker's voice, I withdraw my recommendation, not because I believe that Mr. Privatsky is unqualified, but because the process has been tainted.

I am asking that this communication be part of the public record.

Respectfully submitted,
Noelle Jacquet-Morrison
Ward#4 resident
