

STATE OF MINNESOTA AGENCY AGREEMENT
BETWEEN
DEPARTMENT OF TRANSPORTATION
AND
CITY OF SAINT PAUL

FOR FEDERAL PARTICIPATION IN FORCE ACCOUNT
FOR
S.P. 164-070-013; M.P. STPX 6212(230)

This agreement is entered into by and between CITY OF SAINT PAUL ("City") and the State of Minnesota acting through its Commissioner of Transportation ("MnDOT"),

Pursuant to Minnesota Statutes Section 161.36, the City desires MnDOT to act as the City's agent to accept and disburse federal funds for the construction, improvement, or enhancement of transportation financed in whole or in part by federal funds, hereinafter referred to as the "Project"; and

The City is proposing a federal aid project to expand the Nice Ride System to the State Capital Complex. A public interest finding has determined the project can be completed more economically as a Force Account hereinafter referred to as the "FORCE ACCOUNT"; and

The FORCE ACCOUNT is eligible for the expenditure of federal aid funds, and is identified in MnDOT records as State Project 164-070-013, and in Federal Highway Administration ("FHWA") records as Minnesota Project STPX 6212(230); and

MnDOT requires that the terms and conditions of this agency be set forth in an agreement.

THE PARTIES AGREE AS FOLLOWS:

I. DUTIES OF THE CITY.

A. DESIGNATION. The City designates MnDOT to act as its agent to accept and disburse federal funds made available for the Project.

B. ELIGIBILITY / COSTS. The estimated cost of the FORCE ACCOUNT is \$150,000.

1. It is anticipated that 80% (up to \$ 100,000) of the cost of the FORCE ACCOUNT is to be paid from federal funds made available by the FHWA, and that the remaining 20% will be paid by the City. The City will pay any part of the cost or expense of the work that the FHWA does not pay. The City will subcontract the completion of the project to Nice Ride Minnesota, Incorporated ("Nice Ride"). The City and Nice Ride have secured private donations for the remaining cost of the Project
2. Any costs incurred by the City prior to authorization, will not be eligible for federal participation.

3. Eligible cost and expense, if approved, may consist of the following:
 - a) The cost of conducting the Bike Sharing and providing and installing bicycle kiosks and bicycles to be used in the Project.
 - b) The cost of removing and storing the kiosks and bicycles during the winter.
 - c) Cost of administration of the bike sharing program by Nice Ride.
 - d) Cost of maintenance of the kiosks and bicycles.
 - e) Expenditures for materials, supplies, mechanical data processing and equipment rental, limited to the actual expenditures for the purposes of this agreement.
4. Expenditures for general administration, supervision, maintenance and other overhead or incidental expenses of the City are not eligible for federal participation.
5. Acceptability of costs under this agreement will be determined in accordance with the cost principles and procedures set forth in the applicable Federal Acquisition Regulations, Contract Cost Principles and Procedures, 48 Code of Federal Regulations (CFR) 31 which is hereby incorporated by reference and made a part of this agreement.
6. For costs expected to exceed \$150,000, the City must request the preparation and execution of a supplement to this agreement, prior to incurring such costs.

C. STAFFING.

1. The City will designate a publicly employed project manager, ("Project manager"), to be in responsible charge of the Project and to supervise and direct the work to be performed under any contract let for the Project. If City elects to use a private consultant for engineering services, the City will provide a qualified, full-time public employee of the City, to be in responsible charge of the Project. The services of the City to be performed pursuant to this agreement may not be assigned, sublet, or transferred unless the City is notified in writing by MnDOT that such action is permitted under 23 CFR 1.33 and 23 CFR 635.105 and state law. This written consent will in no way relieve the City from its primary responsibility for performance of the work.
2. During the progress of the work on the Project, the City authorizes its Project manager to request in writing specific engineering and/or technical services from MnDOT, pursuant to Minnesota Statutes Section 161.39. Such services may be covered by other technical service agreements. If MnDOT furnishes the services requested, and if MnDOT requests reimbursement, then the City will promptly pay MnDOT to reimburse the state trunk highway fund for the full cost and expense of furnishing such services. The costs and expenses will include the current MnDOT labor additives and overhead rates, subject to adjustment based on actual direct costs that have been verified by audit. Provision of such services

will not be deemed to make MnDOT a principal or co-principal with respect to the Project.

3. The City will furnish the personnel, services, supplies, and equipment necessary to properly supervise, inspect, and document the work for the Project.

D. CONTRACT ADMINISTRATION.

1. The City will request approval from MnDOT for all costs in excess of the amount of federal funds previously approved for the Project prior to incurring such costs. Failure to obtain such approval may result in such costs being disallowed for reimbursement.
2. The City will prepare reports, keep records, and perform work so as to enable MnDOT to collect the federal aid sought by the City. The City will retain all records and reports in accordance with MnDOT's record retention schedule for federal aid projects.
3. Upon completion of the Project, the Project manager will determine whether the work will be accepted.

E. PAYMENTS.

1. The entire cost of the Project is to be paid from federal funds made available by the FHWA and by other funds provided by the City. The City will pay any part of the cost or expense of the Project that is not paid by federal funds.
2. The City may request partial payments not more than once each thirty (30) days. The Project manager will certify each partial estimate.
3. The invoice and supplements thereto, will contain all details that may be necessary for a proper audit. Such details will consist of at least the following:
 - (a) A breakdown of labor by individual, classification, dates and hours worked times the applicable rate to arrive at a total dollar amount for each individual.
 - (b) The labor additive may be applied to total labor dollars, not including overtime labor dollars.
 - (c) The equipment charges must be broken down by type of equipment times the applicable rate and dates used to arrive at total equipment charges.
 - (d) A detailed breakdown of outside services used and supporting invoices. Documentation that costs of outside services have been paid.
 - (e) Detail for materials, supplies, and other items with the description, units, and unit prices included in the invoice. If materials or supplies are purchased from an outside source, a copy of that invoice must be included.
 - (f) The invoices will include 100% of eligible charges applicable to the Force

Account so that the prorata share of federal and City participation can be applied to the total costs.

4. Following certification, by the Project manager, of the final estimate, the City may request reimbursement for costs eligible for federal funds. The City's request will be made to MnDOT and will include a copy of the certified final estimate along with the required records.
5. Reimbursement of costs under this agreement will be based on actual costs, but limited to eligible items.

F. LIMITATIONS.

1. The City will comply with all applicable Federal, State, and local laws, ordinances, and regulations.
2. Nondiscrimination. It is the policy of the Federal Highway Administration and the State of Minnesota that no person in the United States will, on the grounds of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance (42 U.S.C. 2000d). Through expansion of the mandate for nondiscrimination in Title VI and through parallel legislation, the proscribed bases of discrimination include race, color, sex, national origin, age, and disability. In addition, the Title VI program has been extended to cover all programs, activities and services of an entity receiving Federal financial assistance, whether such programs and activities are Federally assisted or not. Even in the absence of prior discriminatory practice or usage, a recipient in administering a program or activity to which this part applies, is expected to take affirmative action to assure that no person is excluded from participation in, or is denied the benefits of, the program or activity on the grounds of race, color, national origin, sex, age, or disability. It is the responsibility of the City to carry out the above requirements.
3. Workers' Compensation. Any and all employees of the City or other persons while engaged in the performance of any work or services required or permitted by the City under this agreement will not be considered employees of MnDOT, and any and all claims that may arise under the Workers' Compensation Act of Minnesota on behalf of said employees, or other persons while so engaged, will in no way be the obligation or responsibility of MnDOT. The City will require proof of Workers' Compensation Insurance from any contractor and sub-contractor.

G. AUDIT.

1. The City will comply with the Single Audit Act of 1984 and Office of Management and Budget (OMB) circular A-133 including amendments and successors thereto, which are incorporated herein by reference.
2. As provided under Minnesota Statutes Section 16C.05, subdivision 5, all books, records, documents, and accounting procedures and practices of the City are subject to examination by the United States Government, MnDOT, and either the Legislative Auditor or the State Auditor as appropriate, for a minimum of six

years. The City will be responsible for any costs associated with the performance of the audit.

- H. MAINTENANCE. The City assumes full responsibility for the operation and maintenance of any facility constructed or improved under this Agreement.
- I. CLAIMS. The City will pay any and all lawful claims arising out of or incidental to the performance of the Project work. The City acknowledges that MnDOT is acting only as the City's agent for receipt and disbursement of federal funds, and not as a principal or co-principal with respect to the Project. In all events, the City will indemnify MnDOT and hold MnDOT harmless from any claims arising out of the Project.
- J. FEDERAL FUNDING ACCOUNTABILITY AND TRANSPARENCY ACT (FFATA). This Agreement requires the City to provide supplies and/or services that are funded in whole or in part by federal funds that are subject to FFATA. The City is responsible for ensuring that all applicable requirements, including but not limited to those set forth herein, of FFATA are met and that the City provides information to the MnDOT as required.

The City shall comply with the following:

1. Reporting of Total Compensation of the City's Executives.

(a) The City shall report the names and total compensation of each of its five most highly compensated executives for the City's preceding completed fiscal year, if in the City's preceding fiscal year it received:

- i. 80 percent or more of the City's annual gross revenues from Federal procurement contracts and Federal financial assistance subject to the Transparency Act, as defined at 2 CFR 170.320 (and subawards); and
- ii. \$25,000,000 or more in annual gross revenues from Federal procurement contracts (and subcontracts), and Federal financial assistance subject to the Transparency Act (and subawards); and
- iii. The public does not have access to information about the compensation of the executives through periodic reports filed under section 13(a) or 15(d) of the Securities Exchange Act of 1934 (15 U.S.C. 78m(a), 78o(d)) or section 6104 of the Internal Revenue Code of 1986. (To determine if the public has access to the compensation information, see the U.S. Security and Exchange Commission total compensation filings at <http://www.sec.gov/answers/execomp.htm>).

Executive means officers, managing partners, or any other employees in management positions.

(b) Total compensation means the cash and noncash dollar value earned by the executive during the City's preceding fiscal year and includes the following (for more information see 17 CFR 229.402(c)(2)):

- i. Salary and bonus.
- ii. Awards of stock, stock options, and stock appreciation rights. Use the dollar amount recognized for financial statement reporting purposes with

respect to the fiscal year in accordance with the Statement of Financial Accounting Standards No. 123 (Revised 2004) (FAS 123R), Shared Based Payments.

iii. Earnings for services under non-equity incentive plans. This does not include group life, health, hospitalization or medical reimbursement plans that do not discriminate in favor of executives, and are available generally to all salaried employees.

iv. Change in pension value. This is the change in present value of defined benefit and actuarial pension plans.

v. Above-market earnings on deferred compensation which is not tax qualified.

vi. Other compensation, if the aggregate value of all such other compensation (e.g. severance, termination payments, value of life insurance paid on behalf of the employee, perquisites or property) for the executive exceeds \$10,000.

2. The City must report executive total compensation described above to the MnDOT by the end of the month during which this agreement is awarded.
3. The City will obtain a Data Universal Numbering System (DUNS) number and maintain its DUNS number for the term of this agreement. This number shall be provided to MnDOT on the plan review checklist submitted with the plans for each project. More information about obtaining a DUNS Number can be found at: <http://fedgov.dnb.com/webform/>
4. The City's failure to comply with the above requirements is a material breach of this agreement for which the MnDOT may terminate this agreement for cause. The MnDOT will not be obligated to pay any outstanding invoice received from the City unless and until the City is in full compliance with the above requirements.

II. DUTIES OF MnDOT.

- A. ACCEPTANCE. MnDOT accepts designation as Agent of the City for the receipt and disbursement of federal funds and will act in accordance herewith.
- B. PROJECT ACTIVITIES. MnDOT will make the necessary requests to the FHWA for authorization to use federal funds for the Project, and for reimbursement of eligible costs pursuant to the terms of this agreement.
- C. PAYMENTS.
 1. MnDOT will receive the federal funds to be paid by the FHWA for the Project, pursuant to Minnesota Statutes § 161.36, Subdivision 2.

 3. Upon completion of the Project, the City will prepare a final payment request in

accordance with the terms of this agreement. MnDOT will review and certify the final payment request with a final audit.

4. No more than 90% of the reimbursement due under this agreement will be paid until completion of the final audit and approval by MnDOT's authorized representative.

5. In the event MnDOT does not obtain funding from the FHWA or other funding source, or funding cannot be continued at a sufficient level to allow for the processing of the federal aid reimbursement requests, the City may continue the work with local funds only, until such time as MnDOT is able to process the federal aid reimbursement requests.

D. AUTHORITY. MnDOT may withhold federal funds, where MnDOT or the FHWA determines that the Project was not completed in compliance with federal requirements.

E. INSPECTION. MnDOT, the FHWA, or duly authorized representatives of the state and federal government will have the right to audit, evaluate and monitor the work performed under this agreement. The City will make available all books, records, and documents pertaining to the work hereunder, for a minimum of seven years following the closing of the construction contract.

- VIII. SUBCONTRACTOR AUTHORIZED. Notwithstanding the above, Mn/DOT and City agree that the City will perform its obligations to procure, operate and maintain the project by contracting with Nice Ride Minnesota, Inc. a new Minnesota non-profit corporation formed for this purpose. The City is responsible for the oversight of Nice Ride to assure its compliance with the terms of this agreement and applicable laws. In the event that Nice Ride is unsuccessful, the City shall not be required to take over the operation of the bike share system or to invest in more resources into the project than previously allocated.
- IX. TERMINATION. This agreement may be terminated by the City or MnDOT at any time, with or without cause, upon ninety (90) days written notice to the other party. Such termination will not remove any unfulfilled financial obligations of the City as set forth in this Agreement.
