4. Eligible Costs.

4.1 Eligible Costs.

Eligible costs are those costs *directly* incurred by the Grantee for Grant Project activities and budget outlined in **Attachment A** taking place during the Grant Project Activity Period that are *solely related* to and necessary for the completion of the Grant Project. Grant funds shall only be spent in accordance with Minnesota Management and Budget's ("MMB") Guidance to Agencies on Legacy Fund Expenditures, which is attached hereto as **Attachment B**. 4.3 Traditional Sources of Funding.

Pursuant to the Appropriation, the Grantee must ensure that the P&T Funds are used to supplement and not substitute for traditional sources of funding.

5. Grant Amount, Payment and Use.

5.1 Grant Amount. The Council will reimburse Grantee for eligible costs during the Grant Project Activity Period of up to the Grant Amount identified on page 1. This amount is granted for the purpose of performing the Grant Project. In no event will the Council's obligation under this agreement exceed the total grant amount. The Council shall bear no responsibility for any cost overruns that may be incurred by the Grantee in the performance of the Grant Project. Notwithstanding anything to the contrary in this agreement, the payment of P&T Fund grant proceeds shall be made by the Council within the time frames specified in this agreement only if the Council has adequate P&T Funds on hand at the time that payment is due.

PARKS AND TRAILS LEGACY FUND GRANT PROGRAM

Payment requests shall be made using payment request forms, the form and content of which will be determined by the Council. Payment requests and other reporting forms will be provided to the Grantee by the Council. The Council will disburse grant funds on a reimbursement or a "cost incurred" basis. Payment requests must include consultant/contractor invoices showing the time period covered by the invoice; the specific grant-funded Grant Project activities conducted or completed during the authorized time period within which eligible costs may be incurred; and documentation supporting expenses including subcontractor and consultant showing unit rates and quantities and other supporting documents as the Council deems appropriate. The Council will pay no more than ten percent markup to perform the actual work. The Council will disburse grant funds to the Grantee within thirty (30) days after receipt of a properly completed and verified payment request form.

5.4 Conditions of Payment.

All services provided by the Grantee under this Agreement must be performed to the Council's satisfaction, as determined at the sole discretion of the Council's Authorized Representative and in accordance with all applicable federal, Council, and local laws, ordinances, rules, and regulations.

5.5 Repayment of Unauthorized Use of Grant Funds. Upon a finding by the Council or the state that Grantee has made an unauthorized or undocumented use of grant funds, and upon a demand for repayment issued by the Council, the Grantee agrees to promptly repay such amounts to the Council. Additionally, if the Grantee is in breach of the requirements of this Agreement, including Minn. Stat. § 16B.98 and MMB's Guidance, the Council may, in its sole discretion, withhold future grants to the Grantee until the breach is cured.

5.6 Non-Eligibility.

If the Office of the Legislative Auditor, in the course of an audit or investigation, publicly reports that Grantee has not complied with the Appropriation or any law, rule, or regulation applicable to the Grantee, the Grantee will be listed in an annual report to the legislative committees with jurisdiction over the P & T Fund. The list must be publicly available. The legislative auditor will remove the Grantee from the list upon determination that it is in compliance. The Grantee on said list is not eligible for future funding from the P&T Fund until the recipient demonstrates compliance to the legislative auditor.

5.7 Disability Access.

use of the Park including, but not limited to, imposing higher fees for non-residents without the express written consent of the Council, either during the Project Grant Activity Period or for a period of twenty (20) years following.

6. Accounting, Record-keeping and Site Monitoring.

6.1 Accounting and Record-Keeping. The Grantee agrees to establish and maintain a separate account for the Grant Project and to maintain accurate and complete books, records, documents, and other evidence pertaining to the costs and expenses of implementing this Agreement to the extent and in such detail that will accurately reflect the total cost of the Grant Project and all net costs, direct and indirect, of labor, materials, equipment, supplies, services, and other costs and expenses. The Grantee shall use generally accepted accounting principles. Pursuant to Minn. Stat. § 16B.98, all records shall be retained for at least six (6) years after the issuance of the final certificate of acceptance by the Council, or such shorter period as may be specified in writing by the Council at the expiration of the Grant Project Activity Period.

6.2 Site Monitoring. Pursuant to Minn. Stat. § 16B.98, subd. 6, the Council shall monitor all the Grant Project activities and records.

7. Reporting and Grant Closeout.

7.1 Reporting during the Grant Activity Period. The Grantee shall submit an annual project summary update in the format provided by the Council by December 1st of each year.

7.2 Final Report. Prior to final reimbursement, a final report must be submitted to the Council. The Grantee's final report must address the final results of submitted measurable outcomes in a format determined by the Council.

7.3 Closeout. Within 60 days after the Council makes its final disbursement of grant funds, the Grantee must complete and submit to the Council a certification of expenditures of funds form signed by the Grantee's chief financial officer or finance director. The Grantee must submit the closeout requirements in a format determined by the Council detailing total Grant Project receipts and expenditures, summarizing all Grant Project activities, and containing a certification by the Grantee's chief financial officer that all grant funds were expended in accordance with this Agreement.

8. Changes in Grant Project and Amendments.

8.1 Changes in Grant Project. Projects funded by the Appropriation must be substantially consistent in both scope and budget with the report submitted to the legislature pursuant to Minnesota Laws 2013, chapter 137, article 3, section 4 (o). Changes to the Grant Project in either scope or budget shall require an amendment. Failure to inform the Council of any significant changes to the Grant Project or significant changes to grant-funded components of the Grant Project and any use of grant funds for ineligible or unauthorized purposes, will jeopardize the Grantee's eligibility for future P&T funding.

PARKS AND TRAILS LEGACY FUND GRANT PROGRAM

8.2 Amendments. The terms of this Agreement may be changed by mutual agreement of the parties if the changes are consistent in both scope and budget with the report submitted to the legislature pursuant to Minnesota Laws 2013, chapter 137, article 3, section 4 (o). Changes shall be effective only upon execution of written amendment(s) signed by authorized representatives of the Council and the Grantee. Grant funds for the changed Project will not be disbursed prior execution of an amendment. Provided the Appropriation has not expired, if the Grantee needs additional time within which to complete the Grant Project, the Grantee must submit to the Council a written extension request AT LEAST NINETY (90) CALENDAR DAYS PRIOR TO THE EXPIRATION DATE. The combined Grant Agreement with amendments must not exceed five years; however, pursuant to Minnesota Laws 2015, Chapter 2, Article 3, Section 2, subd. 2, if the Grant Project receives federal funds, the time period of the Appropriation shall automatically extend to match or equal the availability of federal funding.

9. Assignment, Waiver, and Agreement Complete.

9.1 Assignment. The Grantee may neither assign nor transfer any rights or obligations under this Agreement without the prior consent of the Council and a fully executed Assignment Agreement.

9.2 Waiver. If the Council fails to enforce any provision of this Agreement, that failure does not waive the provision or its right to enforce it.

9.3 Agreement Complete. This Agreement contains all negotiations and agreements between the Council and the Grantee. No other understanding regarding this Agreement, whether written or oral, may be used to bind either party.

10. Liability.

The Grantee must indemnify, save, and hold the Council, its agents, and employees harmless from any claims or causes of action, including attorney's fees incurred by the Council, arising from the performance of this Agreement by the Grantee or the Grantee's agents or employees. This clause will not be construed to bar any legal remedies the Grantee may have for the Council's failure to fulfill its obligations under this Agreement.

11. Audits.

Under Minn. Stat. § 16C.05, subd. 5, the Grantee's books, records, documents, and accounting procedures and practices relevant to this Agreement are subject to examination by the Council and/or the State Auditor or Legislative Auditor, as appropriate, for a minimum of six (6) years from the end of this Agreement.

12. Government Data Practices.

15. Termination.

The Council may cancel this Agreement at any time, with or without cause, upon 30 days' written notice to the Grantee. Upon termination, the Grantee will be entitled to payment, determined on a pro rata basis, for services satisfactorily performed.

16. Use of and Reporting on Small Disadvantaged Business Inclusion.

The Council maintains a list of Small Disadvantaged Businesses that the Grantee and its contractors are encouraged to use. Grantee and its contractors are also encouraged to use Small Disadvantaged Businesses that are certified through other government programs as Minority, Women, Small Business Enterprises (M/W/SBEs).
