Comments:

Any vehicles obstructing the allyway have been moved per the vehicle abatement order. However the need for temporary overflow parking remains. Fortunately, at the end of the dead-end ally are two unused parking spots, albit belonging to the city. We would like to request conditional use of those 2 spots (or perhaps better termed community use of those spots) for those occasions when the need for temporary overflow parking arrises; and thus avoid any future problems. Please see arial photo attached.
