We will remove the Q3 2020 assessment from the roster and enter a Legislative hearing to remove the Q2 2020 assessment.

Thanks for bringing this to our attention.

Chris

Afternoon Greg,

In March we received and granted a service hold on the address above from 3/20/20 to 9/20/20. The services were put on hold but billing unfortunately was not stopped. With that said Q2 (\$77.36) and Q3 (77.36) of 2020 were sent to the city in error and the property should not be assessed these 2 amounts. I know I can still pull back Q3 as we just sent but how do we handle Q2?

Thank you
