No need to create TA file for address. Responded to caller. There was confusion about the tax address of 12420 Case Road, Detroit Lakes, Minnesota 56501, that is listed with Ramsey County.

However, as that is the address listed with Ramsey County, we are unable to change it. The property owner would have to contact Ramsey County to make the change. Because the caller was not the property owner, he is unable to do that.

Therefore, due to the fact that the bill was sent to the correct address based on records with Ramsey County, and that the caller does not wish to contest the assessed amount, I am going to recommend that the assessment be approved.

Thank you!

“This message is regarding Duane B. Fisk regarding property address 687 Fifth Street East, Saint Paul, File Number CG2001D3, Assessment 200114, Property ID 32-29-22-13-0085. Duane Fisk passed away June 21, 2019. This property has an address for owner or tax payer of 12420 Case Road, Detroit Lakes, Minnesota 56501. That is an incorrect address for owner or taxpayer. This matter has been called upon on the phone many times since Duane’s passing, and it was thought that it had been taken care of and things had been properly dismissed. And now there is an assessment for address 687 Fifth Street East, Saint Paul. Please take the fact that Duane passed in June 2019 into effect being this property has gone back to its original owner at some point in time for nonpayment by the deceased.”
