Mai,
Thank you for returning my call. I have attempted to schedule the inspection for the above mentioned property but have been unsuccessful. I spoke with Tom Friel who referred me to James Thomas. Mr. Thomas informed me that he can not inspect the property because it is a Cat 2 and until I get that categorized as a Cat 1, he can not help me. I tried to explain to him that I was instructed to do so, but he did not waiver from his view. I spoke to Tom Friel again and he expressed he is happy to do an inspection of the property if this is what the hearing officer wants done but they need to follow protocols or hear from Ms Morman what she needs from them. I am happy to come to the hearing today @ 2:30 or at another time. Please advise.

Best Regards,
