Re: Appeal for Property at 2157 Lincoln Avenue

Dear Ms. Hoiness:

I have consulted with Ms. Moermond and she stated that under our new procedure, there needs to be a finding by the Council that the nuisance was or not abated. This needs to happen at a public hearing and our next available hearing date is June 7. Therefore, the property will be inspected for compliance with the Order on June 5. A Legislative Hearing will be held on June 6 in which you don't need to attend and a Council Public Hearing on June 7, 2017 at 5:30 p.m. in Room 300 Council Chambers. The only purpose of the hearing is to determine if the nuisance has been abated. Extensions will not be discussed, and a "default" extension is being granted to June 5 because of the change in procedure. If the cargo container is still there on re-inspection, City inspector will take enforcement.

If you have any questions, please contact me at 651-266-8563.

Sincerely,

/s/
