Hi Jeanette

I received your email showing Huntington Bank refunded the check and put a stop payment on the payment sent to Waste Management. Please use the 63.18 to pay for the assessment. I have put in a request to see if WM will remove late fees and will let you know what I hear back from them.

You can pay your garbage assessment online using the Assessment Payment Portal at stpaul.gov/assessments with a check, debit, or credit card, or you can mail a check (written out to CITY OF ST PAUL - ASSESSMENTS) and send it to:

CITY OF ST PAUL - ASSESSMENTS

15 WEST KELLOGG BOULEVARD
ST PAUL, MN 55102-1658

Please let me know if you have any additional questions.

Jill, I talked with WM, they told me that thwy sent all of my account information to the city. If there are any extra charges on the amount (\$63.18) it would be up to the city to waive any additional charges because WM showed a zero balance when they changed. They do not handle the St Paul area any longer that is why she told me to have you remove the amount above \$63.18. If you need to call me and I will talk this over with you.

Thank you Jill for helping on this confusing matter.

Dear Jeanette,

In the City of Saint Paul, garbage service was paid in advance on a quarterly basis. When bills went unpaid by the end of the billing cycle (three months), they were transferred to the City. This zeros out the account with WM and a pending assessment for delinquent garbage was placed on the property for the unpaid amount.

Your Quarter 1 (January - March) bill of \$72.66 was left unpaid after the billing cycle ended. As a result, Waste Management sent your delinquent Quarter 1 (January - March) bill to the City, which the City paid on your behalf. Therefore, you currently owe the City \$72.66. We can only remove the assessment if Waste Management received the payment, and they did not receive it, which is why you owe the assessment
