Hello

We have removed the assessment for Q2. Thank you

We noted there was an assessment of \$111.61 for Q1. Yes the assessment for Q1 is \$111.86. Did the resident make a payment to RS in Q1? No we do not received a payment for Q1. Should this amount be removed? No you should not remove that amount

Why was the Q2 invoice for \$243.36? it was billing error of duplicate charge of 2 68gal carts was credit That seems like an incorrect amount? Yes What would have happened if he paid the full \$243.36 as I am sure some folks did? We will credit or we will refund

Again, how is RS identifying these accounts where they incorrectly billed residents? We identified that when the resident called to dispute the bill

Chris,

The invoice dated 4/5/19 was for \$243.36 and the payment received was \$96.08 was received and accounted for along with credits totaling \$57.38 leaving a balance of \$89.90 along with the late fees that is what was accessed. The credits mentioned in Manteza's explanation do not reflect the actual credits that were applied to the account. I do see two credits in the amount of \$35 and \$25 that were added to the account as of 9/12/19. They were not on the account as mentioned below.

We will remove this assessment. Manteza, can you review the account and be sure that everything is addressed for Q3. I know that the assessment period is coming up and I don't want the resident to have to spend any more time on items that should have been addressed.

Romack and Rick, can you tell me why the payment was not reflected and why this was still sent over. This is a larger issues that seems to continue to not be addressed.

Chris

**Subject:** 158 Morton Street W- Q2 assessment

Hi Republic,

Travis D Skoog  
158 Morton Street W  
612-998-6051

Resident called into our office about a Q2 payment made. He said he made a payment of \$96.08 on 4/15. Republic sent us a Q2 assessment of \$105.23. He stated that in October, at the start of the program he called into RS and had one of the carts removed. He has only been setting out one cart this entire time because RS removed his other bin. Should we remove this assessment? What does RS have on this account?

Chris
