RE: City of Saint Paul License Hearing - File SR 17-173 – License No. 0016211

To the Above-Named Addressees:

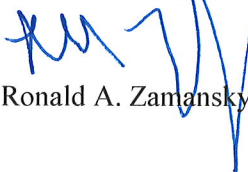

We are counsel for Enivid Realty Corporation, a Minnesota corporation (“Company”) in connection with the above-referenced matter, which is scheduled to take place on December 7, 2017 at 2:00 pm (“Hearing”). In connection with our representation of the Company, we have been advised that construction has already commenced at 2051 Ford Parkway (“Premises”), which Premises is subject to the St. Paul City Council’s final approval of the license identified in the above-referenced matter.

We hereby request that the City of St. Paul issue an order that immediately stops all work at the Premises. Considering that the Hearing has not yet occurred, nor has final approval been granted by the St. Paul City Council for said license, any and all construction taking place at the Premises in connection therewith is an unlawful violation of Chapter 310 of the Saint Paul City Code of Ordinances, among other regulations, and must immediately stop.

We look forward to your immediate action with respect to this urgent matter. Thank you very much.

Very truly yours,

ZAMANSKY PROFESSIONAL ASSOCIATION
