Please respond by end of the day Friday so we can wrap this one up. Lydia has provided both the check and electronic payment verification from the resident's bank account.

I don't know what other details you're looking for as to "how" beyond what I've already shared. PO stated that they have automatic electronic withdrawals through their account with WM. In July, they sent an additional check.

I don't need a copy of the check they sent in – I can see that posted to the account - it's the other amount that they paid - how did they pay us that amount? I can't research anything without some idea of how they paid us

Thanks

So I responded on 10.5.23 about the check that was sent and applied on 7.25.23 for \$62.48

I don't show any 2nd payment - so the one marked WM - was that a check or an online payment or what?

Thanks

Following up on issue with billing at 1740 Iglehart Ave. In addition to old payments not being applied, PO states that she paid her July bill twice and was not reimbursed or credited for the extra amount. I have included the bank statement from the PO showing that you processed both the electronic payment and the check that was sent. Please investigate and follow up to tell me what action will be taken to remedy the error.

Thank you

I don't remember seeing this one - but was this check supposed to pay for her 2nd Qtr billing.

If so it was received well after the due date.
