

LEASE AGREEMENT

THIS AGREEMENT is entered into this ____ day of _____, 2022, between the City of Saint Paul, a municipal corporation, ("City") and Tajana's 11th House L.L.C.(LESSEE).

1. **Leased Premises.** The City hereby leases to LESSEE a mooring site on the Public Dock located on the Saint Paul portion of the right descending bank of the Mississippi River in proximity to river mile 839.7, as set forth in Exhibit A, attached hereto and incorporated by reference herein.
2. **Use of Site.** Use of the Site is limited to mooring on the Public Dock of a vessel used as a bed and breakfast operation and does not convey rights to use of the Public Dock for activities other than ingress and egress to the vessel from land.
3. **Term.** This Agreement is effective beginning on November 16, 2022 and continuing through December 31, 2027, unless earlier terminated pursuant to section 10 of this Agreement.
4. **Payments to the City.**
 - A. **Rent.** LESSEE will pay the City as rent 2.5% of its monthly gross revenue for the first three years of the contract. Commission would increase one additional percent in both the fourth and fifth years as well as when annual revenue exceeded \$200,000. Payments are due on or before the twentieth day of the month immediately following the month for which the payment obligation was incurred. For example, the payment for May of a given year is due on or before June 20 of that year.
 - B. LESSEE will guarantee the City an Annual Minimum Payment of \$5,000 each year, regardless of total gross revenues. If LESSEE's aggregate payments have not totaled at least \$5,000 annually, LESSEE must add the full amount of the shortfall to its December payment obligation, (due January 20).

LESSEE may request a commission credit from the City when it can be demonstrated that an investment in the Public Good will be made. Written City approval must be given in advance of the investment for any credit to be applied to the Annual Minimum Payment.
 - C. Along with each month's payment, LESSEE must provide a financial statement (in Microsoft Excel or compatible format) showing its gross receipts for the month. LESSEE must maintain orderly records of its cash register receipts, invoices and all other sales records, which must be made available for City review upon request.
 - D. Annually, by February 15, LESSEE must provide the City with an income statement for the preceding calendar year.

City has the right, at its own expense, to audit the books and records, including all electronic books and records, of LESSEE covering LESSEE 's operation of the vessel, at LESSEE 's corporate or accounting offices. LESSEE agrees to reasonably cooperate with any such audit. If, as a result of the audit, City does not agree with any material determination or representation by LESSEE, City will give written notice to LESSEE within thirty days of completion of the audit.

5. **Covenants and Undertakings.**

- A. City Inspections. Annually, by December 31, City will conduct a lease agreement compliance assessment and inform LESSEE in writing of any conditions requiring correction.
- B. Accident and Incident Reporting. City will provide LESSEE with City's electronic participant accident and incident report forms, which must be completed by LESSEE's representatives, and delivered to City within 48 hours, in any instance in which an accident or incident on the vessel is reported to or observed by LESSEE's representatives. LESSEE may deliver completed reports to City by U.S. mail, fax or a PDF scan attached to an email.

Nothing herein is intended to convey exclusive use by LESSEE of any parking facilities at Harriet Island Regional Park. The City will maintain access thereto for LESSEE at all times, including during special events, and properly inform the LESSEE of any event that could hamper in any way access to the leased premises. The City will

accommodate the need for LESSEE staff and authorized guests, as recognized by the City, to park vehicles overnight in the Park, providing as well for the necessary related ingress to and egress from the Park. LESSEE understands that during special events, the City may restrict vehicular access within the Park and relocate parking for use by LESSEE as needed.

- I. Move of Vessel. In the event of a temporary move, required by the City, rent will abate to the extent necessary to cover the above referenced Rent. If the parties cannot agree on a new site, either party may cancel this Agreement by giving the other party sixty days-notice of their intention to do so.
- J. Flood. That in cases of emergency or disaster such as flood or other natural acts, LESSEE will vacate Public Dock if required and otherwise cooperate with directives from the City's Director of Parks and Recreation, Fire Chief, Police Chief, Director of Emergency Management, or other City official delegated such power due to the emergency. LESSEE is required to vacate the Public Dock for safety reasons whenever river flooding is projected to reach 17 feet or more above normal river pool (683.77 feet) by the National Oceanic and Atmospheric Administration. LESSEE will make no claim against the City for lost revenues or added expenses due to such event. In the event of a move required by the City, rent will abate to the extent necessary to cover the above referenced Rent.

That failure of performance or delays by either party shall be excused if caused by or if arising out of acts of God, strikes, labor disputes, acts of the public enemy, wars, riots, floods, storms, act of State of Federal government and any other causes whether similar or dissimilar, which are not reasonably within the control of the party claiming Force Majeure.
