Re: Second Making Finding on the Appeal of Substantial Abatement for the Structure at 1803 Ivy Avenue East

Dear Mr. Steinmaus:

This is to confirm that there was a Council Public Hearing on May 10, 2023 in which the Legislative Hearing Officer, Marcia Moermond, recommended to the City Council that they **grant 180 days for rehabilitation of the above-named property.**

At the conclusion of the grant of time, the Council will receive a report from the Legislative Hearing Officer with findings on the status of the substantial abatement. However, we have been informed that a Certificate of Code Compliance had been issued on August 15, 2023. A staff report will be put on the record at the Legislative Hearing on November 14, 2023 and Ms. Moermond will state that the nuisance condition has been abated and the matter is resolved. The City Council Public Hearing will be on December 6, 2023 at 3:30 p.m. for final adoption. There is no need for you to attend these hearings.

If you have any questions, please contact me at 651-266-8563.

Sincerely,

/s/

Mai Vang
