Dear Kris,

I am writing you to request a change in our original request regarding the Conditions attached to the Liquor License for the Green Mill Inn, LLC located at 57 Hamline Avenue South. After speaking with many of the neighbors we have come up with a compromise that we believe will work for everyone.

The Condition that we would like removed from the License is:

1. No expansion of bar seating – currently there are approximately nine (9) seats.

We are planning on a major remodel and putting a lot of capital into this location. We would need the concession to help accomplish the new design and space for the Green Mill.

Please let me know if you need any additional information.

Thank you for your assistance,

Mary Jule Erickson  
President/CFO  
Green Mill Inn, LLC
