

To whom it concerns:

I live at 137 E. Jessamine Ave. I have for 45+yrs., But for the last couple of yrs. we have had Homeless People and also Dudes entering this house at 129 E. Jessamine Ave., all hours of the Day and Night. Don't know what is going to happen next. When I have called Police they say they can't enter without permission, we know they are in there, they watch when the Police are gone come out of the house laughing. The house is empty, bad shape, just waiting for something to happen, these Dudes are breaking into homes, when their cars are gone. I'm 77yrs old I'm afraid to leave my home even to go to the store shopping. Please do something. Like removing it before something bad happens. Tracy has been robbed 4 times in just a couple of years. That's because of all the riffraff 's that are going into this house. Thank you for listening. Please help. Jackie Geretschlaeger.
