Dear Kris:

At its regular meeting on July 18, 2016, the Union Park District Council Committee on Land Use and Economic Development considered the applications for full liquor license, and Sunday and patio service, for the proposed Augustine's Bar and Bakery at 1668 Selby Avenue. Hollis and Laura Roads, owners, and Emily Brink, manager, presented on behalf of the applicant.

The Committee recommended approval of the applications.

If you have any questions, please feel free to contact me.

Sincerely,

Julie Reiter, Executive Director  
Union Park District Council

Hi Kris and Jeff,

I want to be sure that you receive this resident request. There was discussion at our committee about this potential limitation (outdoor seating only until 10 p.m.), and although that recommendation did not pass on a motion, there was some support for it.

Thanks,  
Julie

I am in support of the on sale liquor license 100 seats or less, on sale liquor license Sunday, and on sale liquor license outdoor service area with the conditions as outlined in the notification mailed 7/21/2016 with one additional recommended condition:

Outdoor seating shall be close by 10:00 pm.

This is a residential area. The applicants have indicated that they will close the outdoor seating at 10:00, but the license would not preclude the applicant from changing to 12:30a in the future.

Thank you,
