**RE: Skyway Hours Variance for Macy's**

Dear Councilmember Thune,

At its May 11, 2012 meeting, the Skyway Governance Advisory Committee of the CapitolRiver Council passed a resolution in support of Macy's request for a skyway hours variance.

The resolution of support reads as follows:

*The Skyway Governance Advisory Committee supports Macy's request for a variance of alternate skyway hours from 10AM-6PM, Monday-Saturday, and closed on Sundays.*

The vote was 6 in favor, 0 opposed. Members of the committee strongly encouraged the representatives from Macy's to communicate these changes in a variety of places and with as much advance warning as possible.

Thank you for your consideration of this recommendation.

Sincerely,

A handwritten signature in cursive script that reads "MartinezSones".
