

Dispute of Garbage Bill

07-30-19

Property Address: 1932 Bayard Ave

Property ID Number: 09-28-23-34-0085

File # CG1902D1

ASSESSMENT # 190113

I am unable to attend the Legislative Hearing on August 1, 2019 at 9:00 AM.

I would like to give my explanation of why I should not be charged the assessment of \$80.90.

I have never received any garbage services from Aspen Waste Systems, Inc. How can I be charged for services I have not received? I am a Zero waster and I am doing the best I can to make this planet a better place by reducing my waste. I am doing this for everyone, especially by children, grandchildren and future generations. Why should I be penalized for doing the right thing? I believe these charges and whole garbage system set up by the City of St. Paul is subsidizing a wasteful habit by our society.

Sincerely,

Timothy M. Morehead
