444 Laurel Ave
St. Paul, MN 55102

Dear Ms. Jepsen & Mr. Turner:

This is to confirm that our office has received your application for a variance from the city's noise ordinance and that it is being processed.

You requested a variance to allow you to present amplified music during a wedding and reception at 444 Laurel Ave, between 6:00 p.m. and 11:30 p.m. on August 06, 2011. However, the Department of Safety and Inspections has recommended that the time of the variance be modified to between 6:00 p.m. and 11:00 p.m. The recommendation is for a noise limit of 75 dBA as measured at the property line.

A public hearing on your request for a variance has been scheduled for **August 3, 2011, 5:30 p.m.**, Third Floor, City Council Chambers, at the Saint Paul City Hall/Ramsey County Courthouse, 15 Kellogg Boulevard W., Saint Paul, Minnesota.

You may wish to be present at this hearing to answer any questions that the City Council might have. After the public hearing, the Council may grant, deny, or modify the variance request.

If you have any questions, you can reach Mark Kaisersatt, Environmental Health Specialist, at 651-266-1908, or e-mail him at mark.kaisersatt@ci.stpaul.mn.us .

Sincerely,

Natasha Murphy
