

Re: License application for 328 9th st E Suite 1, GreenBody LLC., doing business as GreenBody, ID #20130003664

Christine,

Hello and good day to you. My name is David LaChapelle, and I am writing about a pending health/sport club license for GreenBody, LLC. Due to unforeseen HOA difficulties in the building in which GreenBody is located, my efforts to pursue licensing has been thwarted. Unless it is possible to get an extension to allow for needed additional time in proceeding with the steps necessary to licensing, I would like to withdraw my license application, and am asking for a refund for the licensing fee. Please let me know if I have an option to carry forth with licensing at this point, or am forced to withdraw my application at this time. Thank you kindly.

Regards,

David Michael LaChapelle
