Subject: Public Testimony
Date: Wednesday, April 7, 2021 10:06:03 AM

Greetings Council,

Attached is a 3 minute testimony in a MP4 format that we would like to have added to the public record. This video is condensed as much as possible. A KB is a very small unit of measurement and we would be unable to include community voice in a way that captures what is being said. We know that you all have made a stand on prioritizing equity and community voice and so we are still sending this video to you in its entirety in good faith that you will honor the voices of your constituents and have it submitted to the public record, especially since there is no public hearing portion to be included at today's hearing. Thank you in advance!

Peace,
