

1164-1166 Cumberland St.photos #2

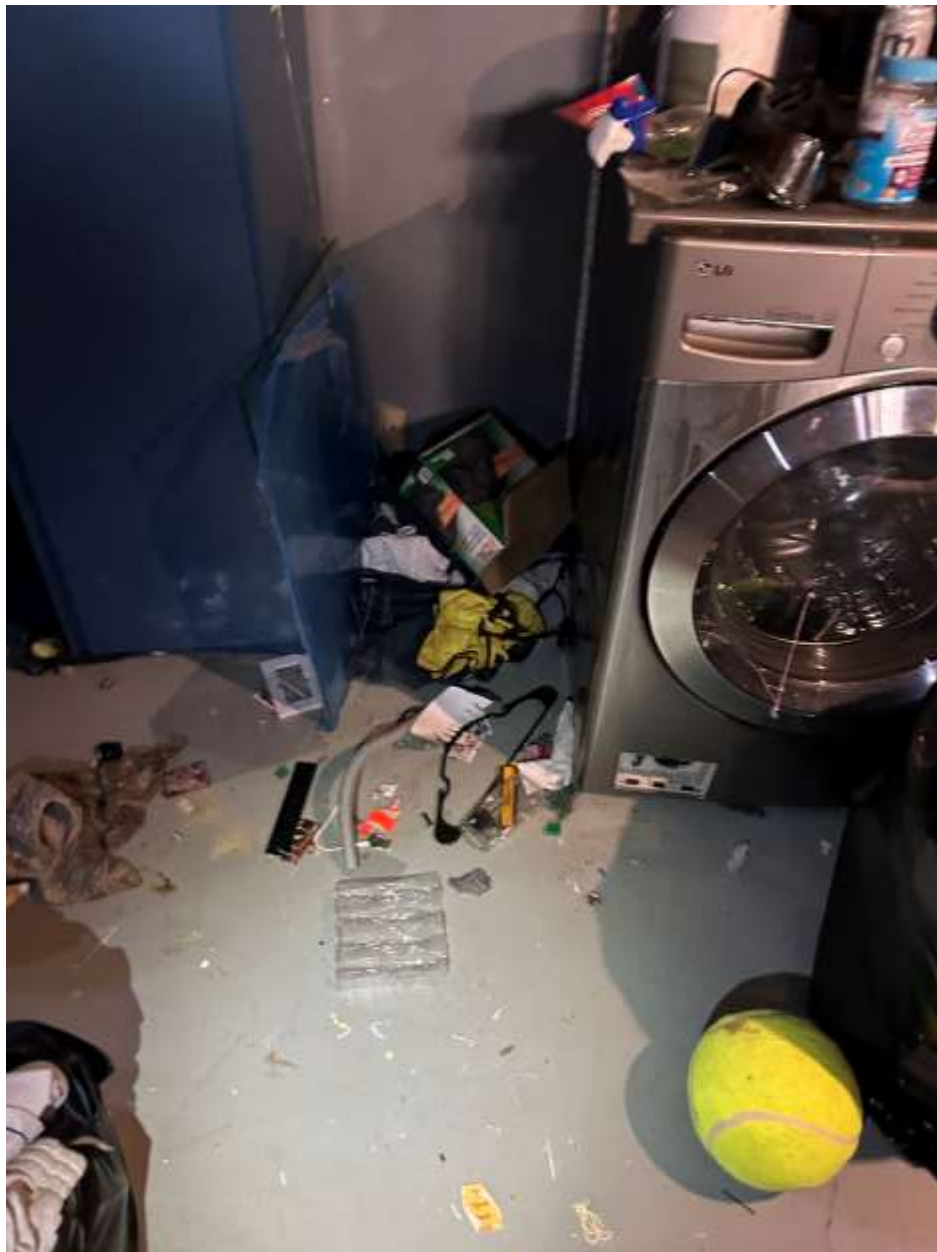

1164-1166 Cumberland St.photos #2

A photograph of a cluttered room, likely a storage area or a room undergoing renovation. The floor is covered with various items, including cardboard boxes, a large black plastic bin, a small wooden table, a large black bag, and a blue cloth. There are also some papers, a metal tray, and other miscellaneous objects scattered around. The walls are a light color, and the overall scene suggests a state of disarray or a recent move.
