Subject: Bike lanes on Prosperity Avenue

Hello, I heard that the Saint Paul City Council will hold a public hearing on May 2nd at 5:30 PM for proposed bike lanes on Prosperity Ave. I am writing you to tell you I support the proposed bike lanes along Hazelwood Street and Prosperity Road between Arlington and Larpenteur avenues. I encourage you to approve the lanes as they are defined in the Saint Paul Bicycle Plan. The lanes will be a tremendous benefit to a safe effective and well-connected network of bicycle facilities of the city. I live in Ward 6 and I use these streets to bicycle commute to my office in Oakdale. Also, when I am not working, I use this exact route as means to get to the Gateway trail and Vento Trail for recreation. I'm sorry I cannot attend the public hearing on May 2 but I encourage you to please approve the resolution recommending that Ramsey County install the proposed bicycle facilities on Prosperity Avenue, Hazelwood Street and Prosperity Road.

Thank you,

Angel Staples
