Hello Mr. Gilbert,

I am still getting billed for the two garbage containers. I have not received a refund nor has a hold been put on one of the containers.

Please take care of this as soon as possible.

I received your Service Hold Application but there is an issue, you did not paid your Q2 2020 Invoice for service of Apr 01/2020 to Jun 30/2020 it was turned over to the city to become a pending assessment to your property tax

it is late to use June 1, so I changed the date from July 01/2020 to September 1/2020

If you do have a question feel free to contact me

Thank you

Hello,

Please open the screenshot doc. When I try to attach the pdf file that I filled out, it shows up blank. I think that's what happened back in June and I was not aware that my information did not save on the application.

Let me know if you have any questions. Feel free to call me at 651-246-1684

Thank you,

Diana Galaviz

I was informed by your customer service rep Aza Vo to email the form she sent me. I informed her that I did not have access to a printer and she said I was able to type on the document she emailed me. I was not able to sign it so I don't want this to delay the Temporary Service Hold for one of the trash cans. Our tenant moved out on June 1st, and we won't have an occupant until Sepy. 1, 2020.
