Master Lease Number **15905** dated as of **March 31, 2021**

Name and Address of Lessee:

City of Saint Paul

Saint Paul, MN 55102

Notice: Lessor reserves the right to withdraw the terms of this Supplement and issue a modified Supplement without notice to Lessee if Lessor is not in receipt of a fully executed original or facsimile of this document within five (5) business days of the date of this Supplement. However, in that event, no such modifications will be binding on Lessee unless and until Lessee executes the modified document containing all such modifications.

This is a Supplement to the Master Lease identified above between Lessor and Lessee (the "Master Lease"). Upon the execution and delivery by Lessor and Lessee of this Supplement, Lessor hereby agrees to lease to Lessee, and Lessee hereby agrees to lease from Lessor, the equipment described below upon the terms and conditions of this Supplement and the Master Lease. All terms and conditions of the Master Lease shall remain in full force and effect except to the extent modified by this Supplement. This Supplement and the Master Lease as it relates to this Supplement are hereinafter referred to as the "Lease".

Equipment Description: 20 (Quantity) 2022 Nissan Leaf
19 (Quantity) 2023 Nissan Leaf S

After Lessee signs this Lease, Lessee authorizes Lessor to insert any missing information or change any inaccurate information (such as the model year of the Equipment or its serial number or VIN) into this Equipment Description.

Equipment Location: 755 Prior Avenue North, Saint Paul, MN 55103

SUMMARY OF PAYMENT TERMS	
Initial Term (Months): 24	Total Cost: \$157,734.99
Payment Frequency: Annual	Total Basic Rent: \$176,317.77
Basic Rental Payment: \$58,772.59 plus applicable sales and use tax	Interim Rent Daily Rate: N/A
Number of Installments: 3	Cutoff Date: N/A
Advance Payments: First due on 5/1/2026	Security Deposit: N/A

The Basic Rental Payment amount, the Total Basic Rent and the Interim Rent Daily Rate set forth above were calculated based on Lessor's cost of funds within two business days of the date of this Supplement set forth above. Notwithstanding anything in this Supplement or the Master Lease to the contrary, if Lessor has not received a Delivery and Acceptance Certificate signed by Lessee covering all of the items of Equipment that are the subject of this Supplement and all other documentation and information required by Lessor, which may include, without limitation, evidence of insurance, invoices, landlord waivers and evidence of no adverse liens or security interests on the Equipment within fifteen (15) business days of the date of this Supplement, and Lessor's cost of funds has increased subsequent to the date of this Supplement, the Basic Rental Payment amount, the Total Basic Rent and the Interim Rent Daily Rate will be increased to provide the same yield to Lessor as would have been obtained if Lessor's cost of funds had not increased. The Basic Rental Payment amount, the Total Basic Rent and the Interim Rent Daily Rate shall be calculated by Lessor taking into account its cost of funds two business days prior to the date that this Lease is funded. Lessee agrees that the funding date shall not occur until Lessor has received all documentation and information required by Lessor. In such event Lessee and Lessor shall sign an amendment to this Supplement reflecting the change in Total Basic Rent, Basic Rental and Interim Rent Daily Rate.

Option to Purchase. At the expiration of the Initial Term, provided no Event of Default has occurred and is continuing, upon not less than ninety (90) days prior written notice to Lessor, Lessee shall have the option to purchase all but not less than all of the Equipment subject to this Supplement for amount equal to **2%** of the original cost of the Equipment not including the title and registration fees (the "TRAC Amount"), which is the parties' good faith estimate of the fair market value of the Equipment at the expiration of the Initial Term. Upon payment of such amount and any applicable sales tax, Lessor will convey all of its right, title and interest to the Equipment to the Lessee, WITHOUT RECOURSE OR WARRANTY WHATSOEVER, except that Lessor will convey such title as it received free and clear of any liens and encumbrances by or through Lessor.

THIS AGREEMENT INCLUDES THE TERMS ON THE ATTACHED PAGE(S).

Terminal Rental Adjustment Clause (TRAC):

(a) In accordance with Section 7701(h) of the Internal Revenue Code of 1986, under penalty of perjury, Lessee hereby certifies that it intends that more than 50% of the use of the Equipment is to be in a trade or business of Lessee.

(b) If the Lessee does not exercise its option to purchase the Equipment for the TRAC Amount, then during the last ninety (90) days of the Initial Term of the Lease, Lessee shall have the obligation to obtain bona fide bids for the purchase of the Equipment subject to this Supplement and shall provide Lessor with notice of each such bid. Not later than the last day of the Initial Term, Lessor shall sell such Equipment for cash on an "AS-IS, WHERE IS" basis and without recourse or warranty to the highest bona fide bidder. The proceeds of sale (the "Proceeds") shall be distributed as follows:

First, to pay to Lessor any amounts then due and payable under this Lease;

Second, to pay all sales taxes and other taxes applicable to the sale or transfer of such Equipment to the extent not paid by the buyer and to reimburse Lessor or its agent for any expenses incurred by Lessor relating to the sale;

Third, if Proceeds remaining after payment of the amounts in the preceding clauses ("Remaining Proceeds") are less than the TRAC Amount, then Lessor shall retain the Remaining Proceeds and Lessee shall pay Lessor on the last day of the Initial Term, the amount of the deficiency between the Remaining Proceeds and the TRAC Amount as an adjustment to the rent payable under this Lease, but in any event not more than 2% of the original cost of the Equipment not including the title and registration fees.

Any amount paid to or by the Lessee pursuant to this clause shall be the "Terminal Rental Adjustment".

If the Remaining Proceeds are greater than the TRAC Amount, then Lessor shall retain the Remaining Proceeds up to the TRAC Amount and then pay to Lessee the balance of the Remaining Proceeds as an adjustment to the rent payable under this Lease.

(c) If no bona fide bids are received for the Equipment during such ninety (90) day period, then the actual fair market value of such Equipment shall be deemed to equal zero for purposes of the rental adjustment set forth herein, and Lessee shall pay to Lessor the full TRAC Amount on the last day of the Initial Term as an adjustment to the rent payable under this Lease and Lessor will convey all of its right, title and interest to the Equipment to Lessee, WITHOUT RECOURSE OR WARRANTY WHATSOEVER.

Lessee acknowledges that it has been advised that it will not be treated as the owner of the Equipment for federal income tax purposes.

Notwithstanding anything to the contrary contained herein, if the rate of interest, late payment fee, prepayment premium or any other charges or fees due hereunder are determined by a court of competent jurisdiction to be usurious, then said interest rate, fees or charges shall be reduced to the maximum amount permissible under applicable law and any excess amounts shall be applied towards the Lessee's obligations hereunder.

Amendment Regarding this Lease: For the purposes of the Lease evidenced by this Supplement only, the Master Lease is amended, as it relates to this Supplement, as follows:

1. The second paragraph of paragraph 2 (relating to automatic extension) is hereby deleted.
2. Paragraph 18 (relating to Lessor's Loss) is amended by changing "10%" where it appears therein to 2% of the equipment cost not including the title and registration fees.
