Internal note

Jill - PO wants to know why he is billed for the 2Q when one of the unit is vacant and he had a hold on the vacant with WM. He had the UDRF hold for the vacant unit started in January 2025.

Internal note

Jan or Feb PO placed hold with WM. Informed PO that I will reach out to WM

Jillian Barden November 3, 2025 at 13:24

Internal note

per ticket [#1124527](#) there was one tenant already living at the duplex. in this call PO stated he had 3 trash carts and requested two to be collected. This ended up wiping all cart data for Q3 until tenant moved in at end of Sept. Currently the account is billed for one full price 64 cart in Q4 but it really should be two 64 in Q4, and the UDRF has been ended per ticket [#1365623](#)

Hi Sam

Thank you for reaching out to the city of Saint Paul about your garbage bill. I just called and left a message, but please read the email below:

Quarter 2 2025 bill:

You were billed for two 64 gallon carts, full rate, at \$226.38 even though we have record of you placing a hold on one unit on May 6. Your bill should have been corrected to \$160.01 after taxes and fees.

Quarter 3 2025 bill:

When you called in on May 6 to start a service hold, we actually totally wiped the charges for both carts from the account. This happened because you had three carts at the property but were only billed for two (one must have been abandoned). Because all charged were wiped at the beginning of Quarter 3, when you called in for a cart delivery on Sept 16, this created the small prorated amount of \$14.16 (\$19.51 after tax) for the two carts but it really should have been \$132.69 after taxes for the one cart all quarter, and one cart for two weeks. Also, fyi, your quarter 3 bill also has 12 extra bags attached to it because there was no cart at the property during the new tenant's first pickup on Sept 12

Quarter 4 2025 bill::

It was going to be billed for \$113.19 for one cart, but we have corrected the error and you will now be charged \$226.38 for Quarter 4.

The time period to adjust the billing without a legislative hearing has past for the Quarter 2 billing cycle. If you wish to dispute the charges in Quarter 2, we will need to take it to a hearing. It is next week on Nov 13, in the morning. Let me know what you would like to do so I can enter a file in for you. You are not required to be there, but I cannot promise the outcome. If you do attend, it would be by phone

Let me know if you have questions or what you would like to do

Thank you,

Jillian
