Subject: Oppose the May 9 sound level variance for Allianz Field
Date: Monday, March 24, 2025 9:18:58 AM

You don't often get email from dmeister.mmc@gmail.com. [Learn why this is important](#)

I am writing in opposition to the May 9 sound level variance for Allianz Field for the following reasons:

1. the decibel variance is too loud
2. there is no remedy (concert shut down) if the decibel level is exceeded
3. Allianz's last concert was a noise assault on the community. Both the concert sponsor and the city refused to protect our community from the noise.
