1672 Grand Avenue  
St. Paul, MN 55104

Grand Catch is a full service restaurant, with a heavy focus on Seafood Boils. There will also be sandwiches, salads and appetizers influenced by Viet-Cajun Cuisine. The atmosphere embodies that of a modern day fish shack with warm tropical vibes. To accompany the food there will be creative beverage options ranging from beer, wine and non-alcoholic beverages (think homemade tonics, shrubs, and fresh juices) to more refined cocktails that pair well with bold flavors of our seafood boils.
