The case was declined. There is some mention about a burglary there a few days after the domestic but not reported to police. Victim was in the hospital and suspect in jail so the place was vacant. Complainant may have called for a boarding. I'll have someone send that to you after redaction.

Can you send me what you have for 1749 Wordsworth for the domestic assault on 11/27 or is that not public information? Let me know. Thanks!

Hi Vicki – we don't have any boarding at 1749 Wordsworth on or around this date. There was a domestic assault on the 27th of November and a warrant arrest on 12/9. Nothing else. I'll get you the Schletti St. call.
