Ms. Amey,

Ms. Moermond is denying this request as it is an order to vacate, thus an emergency situation, and will be dealt with today.

If you have commentary/testimony you'd like read at today's hearing you are welcome to submit, or if you change your mind and would like to be called in still, please let me know.

Think Before You Click: This email originated **outside** our organization.

Dear My mother's attending physician at St. Francis Hospital in Shakopee has asked that our family meet, today, to receive updates about my mother's health and prognosis and to consider if it is in her best interests to continue to receive intensive medical care or to be

moved to a hospice care facility.

So that I can focus on my mother's medical needs, I'm asking that this hearing be postponed until another date.
