Subject: Making Finding appealed Substantial Abatement for 698 Desoto Street

Good morning Mr. & Ms. Gutierrez,

This is to inform you that there will be a Legislative Hearing on May 9, 2023 at 10:00 a.m. in Room 330 City Hall to discuss the progress of your rehabilitation for the property above. However, we received confirmation from Dept of Safety & Inspections staff that a code compliance certificate has been issued for the completion of the rehab on April 21, 2023; therefore, the May 9th hearing is not necessary for you to attend. We will send a resolution to go before City Council on May 24, 2023 to state that the nuisance is abated and the matter is closed.

Any questions, let me know.

Thank you.

Mai Vang
