We credited one late fee from 1/31/2019 of \$5.12, however they received a second late fee on 2/28/2019 that went to tax roll. They paid the billing on 3/1/2019. I would say go ahead and remove the assessment since they called on 2/22/2019 and paid 3/1/2019.

Thank you

Hi Greg

The stated reason for appeal is: "They were sending the bill to wrong address. We called and got it straightened out and they waved the fee"

Should we remove the assessment of \$5.12?

We would appreciate a response back on this ASAP, as we need to get this hearing file entered in tomorrow.

Thanks!
