

1454 Simpson St

Approximate stack
height.

stack width.

Shows the area where the wood
was temporarily stacked and covered
with a tarp. The stack height
was lower than the back tail fin
on Prius.

new temporary
location. Not
immediately visible
from alley without
close inspection.

original
stack. —
visible from
alley

Picture taken immediately after the city removed the lumber. The wood planks were neatly stacked and covered with a blue tarp immediately BEHIND the Prius. Car has not moved.

original location of stacked lumber

original location
of stacked lumber
by garage. You
can see the
dead grass/weeds.
