To Whom It May Concern:

My sister, Janice L. Van Allen Wilson, will be receiving some inheritance from our late father, Edward A. Van Allen, who died March 8 of this year. I am the personal prepresentative (executor) of his estate, and aim to settle the estate before the end of this year. I anticipate Jan's inheritance to be an amount more than \$30,000.

Sincerely,

A handwritten signature in black ink, appearing to read "Steven E. Van Allen". The signature is fluid and cursive, with the first name "Steven" and last name "Van Allen" clearly distinguishable.
