Dear Reuben Collins, P.E.,

On February 09, 2017, the SAPCC Board of Directors unanimously passed a resolution in support of Reuben from Transportation Planner/Engineer from the City of Saint Paul proposed improvements to Pelham Boulevard.

The purpose improvements goes as followed below:

- implement traffic calming along Pelham Boulevard by narrowing the travel lanes to slow traffic speeds
- improve safety and comfort for people using bicycles within the project area by providing protected bike lanes
- improve safety and comfort for people walking within the project area by making Pelham Boulevard travel lanes narrower and easier to cross

Please feel free to contact me at the number above or via this email if you need more details or if more information is needed.

Thank you!

Sincerely,
