Dear Rachel:

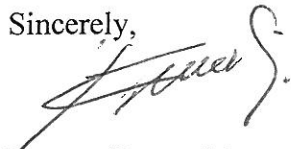

I am writing in response to the Notice of Violation sent October 7th, 2010. I understand the complaints against the business and choose option #1 to proceed with this situation.

I admit the lapse in coverage from September 16th, 2009 through August 10th, 2010. The business was not what it was expected to be and only selling at most \$5,000 per month caught up quickly. The business was not making enough to pay all of the bills, let alone the insurance.

I fully accept a ten day suspension of the license as penalty of this violation. I would also like to request a public hearing as recommended in option #1.

Please contact me if any further information is required to resolve this matter.

Sincerely,

Ernesto Reyes-Diaz
