

Liquor Outdoor Service Area (Sidewalk) petition attempt letter

Attempts for signatures

June 4th - Spoke with Andrea from Irvine Park Towers and said we would not be able to have a sign up at the lobby

June 15th - Sent out mailers to Irvine Park Towers

June 19th - knocked on the following addresses:

311 Walnut Street St. Paul

307 Walnut Street - dropped off petitions with self stamped envelopes

June 27th - Sent out second round of mailers to Irvine Park Towers

I, Morgan Ross, personally obtained signatures and spoke with residents about both the back patio space & a front sidewalk cafe. To the residents I could not reach I mailed two letters ~~to~~ out stating outdoor service to both the back patio and front sidewalk cafe. Even though the petitions don't specifically state "sidewalk cafe" I let the residents know via letter & conversation.
