See below. Can't we just do an Amended RES to Delete?

There was a waiver that was supposed to be through 11/16/17 (per Inspector Kalis). Unfortunately, it went to assessment on 9/1/17. Since the assessment was approved by Council, he needs to contact Mai Vang to see whether Council would be willing to do a resolution to delete. DSI does not handle these once they've been approved by Council. Now, if he had contacted DSI when he received the gold card...

Mai is out today. Her number is 651-266-8563.

I wasn't sure if it was you or Elizabeth Muenich. Glad it was you! When did this go to hearings?
