Good morning Mr. Jeff Fischbach –

I am writing to approve the cancellation of my Class A license application and check. I misunderstood the need for a Class A license for my restaurant, Bap and Chicken, located at 1328 Grand Avenue, Saint Paul, MN 55105.

I am not going to have live music or karaoke or any of the Class A uses. I am going to only play pre-recorded music and TV sound through my speakers. Thus no need for Class A.

Thank you for explaining it to me.

Please contact me with any other questions.

Best Regards,
