To whom it may concern,

My name is Erick Brewer and I live on Ohio St and Wyoming ave in St. Paul. I would like to voice my objection to this assessment of sealcoating as seeing that it was not done well. I believe the night it was done it snowed and the plows came through and scrapped the majority of it off. I had huge piles of the rock on my boulevard further showing that it did not take. When one stands on Ohio you can see that the work did not take. I would love to have it redone because I know that it is important to maintain our roads.

Thank you for your time,

Erick Brewer
