Whereas, The said Committee on Streets of said Board of Aldermen did meet at the Council Chamber in said city on the day and at the hour above mentioned for the hearing thereof, and did investigate and consider the matter of said proposed vacation and then and there heard all testimony and evidence adduced on the part of the petitioners and other persons interested in the matter of said proposed vacation, and took proof of the matters averred in said petition, and being of the opinion that the prayer of said petition should be granted, reported its conclusions to said Board of Aldermen, recommending the adoption of an appropriate resolution declaring said vacation.

Now, Therefore, It is Resolved, by the Common Council of the City of St. Paul, that all that part of Walnut street in the said City of St. Paul, extending from the southeasterly line of Summit avenue to the northwesterly line of Irvine avenue extended across said Walnut street, be and the same hereby is vacated, subject, however, to the following conditions:
