Per Marcia, attached is a scan of an envelope from a letter I sent to Diane Staeheli at the Arbor address on 1/6/20 that was just returned as undeliverable today.

Hello –

At this point the presumption is that yes, she lives in Eagan (or elsewhere for that matter), but either way, we do not have enough proof in our mind that the property on Arbor is her primary residence. I can keep you up to date on our findings.

I will be contacting Dakota County if the homestead does go through.

I think for right now I have what I need, but again, will keep you posted on any new findings.

Thank you,

Lori

Lori – Thank you for all of your work on this issue.

For now it sounds as if the presumption of Ramsey County is that she lives at the Eagan address.

If she ends up fully homesteading the Arbor address is there someone in Dakota County that I should reach out to so that she is held accountable for trying to homestead two residences - or is that something that your office does?

I am committed to seeing this one through to ensure that another tenant is not subjected to this type of behavior from their landlord so please let me know if there is anything I should be following through on.

Thanks - Therese

Good morning again.....

After I sent my email, I decided to go over and get a voter history for her. She has been registered to voted and has voted in Eagan since 2002. In 2014 the address was updated to the Arbor address, but the voter cards were being returned by the post office. In 2016, she registered to vote in Eagan on election day and voted in Eagan on 11/6/2018. Again she indicated that she moved in to the Arbor address in 2014. I will be voiding the application and sending a new one at this point based on that information.

Thank you,

Lori

Hi Therese,

We can get them out to her tomorrow. I didn't have it on my list – maybe I talked to Mai about it, but it's probably quicker for us. Joanna can send them, as Mai is out with her father's passing.

Thanks, Marcia

Marcia –

I can't remember if you were pulling these and sending to me or sending them over and am just following up.

They were going to Lori Clark over at Ramsey County. Her email is lori.clark@ramseycounty.us if you want to send them yourself – otherwise I am happy to do so.....

Thanks - Therese
