Subject: Support elimination of parking requirements
Date: Monday, August 9, 2021 9:17:27 AM

Hello City Council,

I am a Downtown St Paul resident writing in support of the planning commission's recommendation to eliminate parking requirements. I believe allowing developers to have a choice will maximize tax revenues for the city by more efficiently using our space. Additionally, by no longer artificially inflating parking the city can be a greener place and more pleasant for pedestrians, cyclists, and transit users.

Thank you!
