The annual fee is **\$2,025.00**. Also, if at any time the registration fee is unpaid and owing, building permits will be denied for this building.

The full amount owed will be assessed to, and collected with, the taxes for this property as permitted by Saint Paul Legislative Code Chapter 43.

The owner(s) still will be subject to a criminal Summons and Complaint for failure to pay this vacant building registration fee. This citation will necessitate a court appearance in Ramsey County District Court and the owner(s) will be subject to penalties provided for by law. The enclosed registration form must accompany the fee payment.

If you wish to pay in person, you may do so from 8:00am to 4:00pm Monday through Friday at:

RE: 558 Point Douglas Rd S.

August 6, 2015

When we purchased the property we were unaware of the extensive inspection process that needed to be completed before we could begin repairs, due to the property being HUD owned and therefore exempt from the city's inspection rules required of a seller. We have now begun repairs and remodeling to make the property an asset to the neighborhood instead of an eye sore. The vacant building registration fee would be a burden to our budget. We closed on the property on April 24, which with a renewal date of July 26 was unfortunate timing, as it would be extremely difficult to complete the inspection process and navigate the paperwork to complete the necessary repairs in that time.
