Dear Applicant:

Our review of your application for the above referenced additional licenses is in process. Notification has been sent to the community organization and neighbors for the area in which you intend to operate giving them until **Friday, May 27, 2022** to voice concerns to your application.

If no objections are received, and you have satisfied the petition of support requirements, your license will be forwarded to the City Council for review and if approved by Council could then be issued (pending any requirements not completely met). If objections are received a hearing will be scheduled before a legislative hearing officer. You will receive notice of the time, place and date of the scheduled hearing from the Legislative Hearing Officer. At that hearing, the hearing officer will take testimony from all interested persons and will make a recommendation to the City Council as to whether the license(s) should be approved or be referred to an administrative law judge for further review. The City Council will have the final authority to grant or deny this license application.

Requirements including the following must be met prior to the issuance of your licenses:

- Satisfy the petition of support requirements as described to you by DSI License Inspector Ross Haddow. Mr. Haddow may be contacted at 651-266-9143 or via email at ross.haddow@ci.stpaul.mn.us with any questions about petition requirements.

If you have any questions, please contact Mr. Haddow at 651-266-9143 or in Mr. Haddow's absence I may be contacted at 651-266-9106.

Sincerely,

Jeff Fischbach
